

Never Tell Me the Odds

Play this game when you have stars in your eyes.

You're all space smugglers who have been hired to do a dangerous job.

Assign 1, 3, 5 to these stats:

- ☐ ☐ ☐ ☐ ☐ Hokey Religions
- ☐ ☐ ☐ ☐ ☐ Ancient Weapons
- ☐ ☐ ☐ ☐ ☐ A Good Blaster

Player with card describes obstacle. Player to right picks stat, narrates attempt. Flip to resolve.

Check tens digit of second hand on phone...now!

- Less than stat = success! Narrate how, pass to right.
- Equal to stat = push! Keep obstacle, pass to right.
- More than stat = failure! Narrate how, pass to right.

Make it in less than 12 parsecs with $(2 + \# \text{ players})$ successes. You have a bad feeling about this with $(2 + \# \text{ players})$ failures.
